

## Father-Son Legacy Parent Letter

- Vonda Halford Crowl

- Good morning Coach!

My name is Vonda Crowl and my son, Blaine French, is a Senior playing for Coach Kenny Simpson at Southside. Blaine and his Dad, Zac, attended the Father / Son retreat!

I have heard a lot of "Wows!" and nothing but great things about you and the retreat!! I know it was a great bonding experience for everyone involved!

I've meant to message you sooner, but I wanted to say "Thank You! The letters from my husband and my son will be cherished for years to come, and I am still seeing their hugs and I love you's!

Keep up the good work! As a member of the Southside School Board, we have been very impressed from Day 1 with Coach Simpson and I understand you've had a great impact on his life!

I hope I have the pleasure of meeting you in person one day!

All the best,  
Vonda Crowl
